

Make your own Thoroughly Useless Eye

by Talzhemir

SKILL LEVEL: experienced

Instructions:

1. Print out on paper.
2. Cut out very carefully and very patiently, using small scissors.
3. Interlock tabs, starting at the centers, to make two bowl shapes.
4. Starting at the star, interlock tabs to join the two halves together. Use an unbent paper clip if necessary.

5. Test on slave.
